 **TURBOMILES**  
Transport *Solutions* Provider

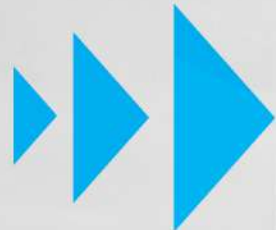

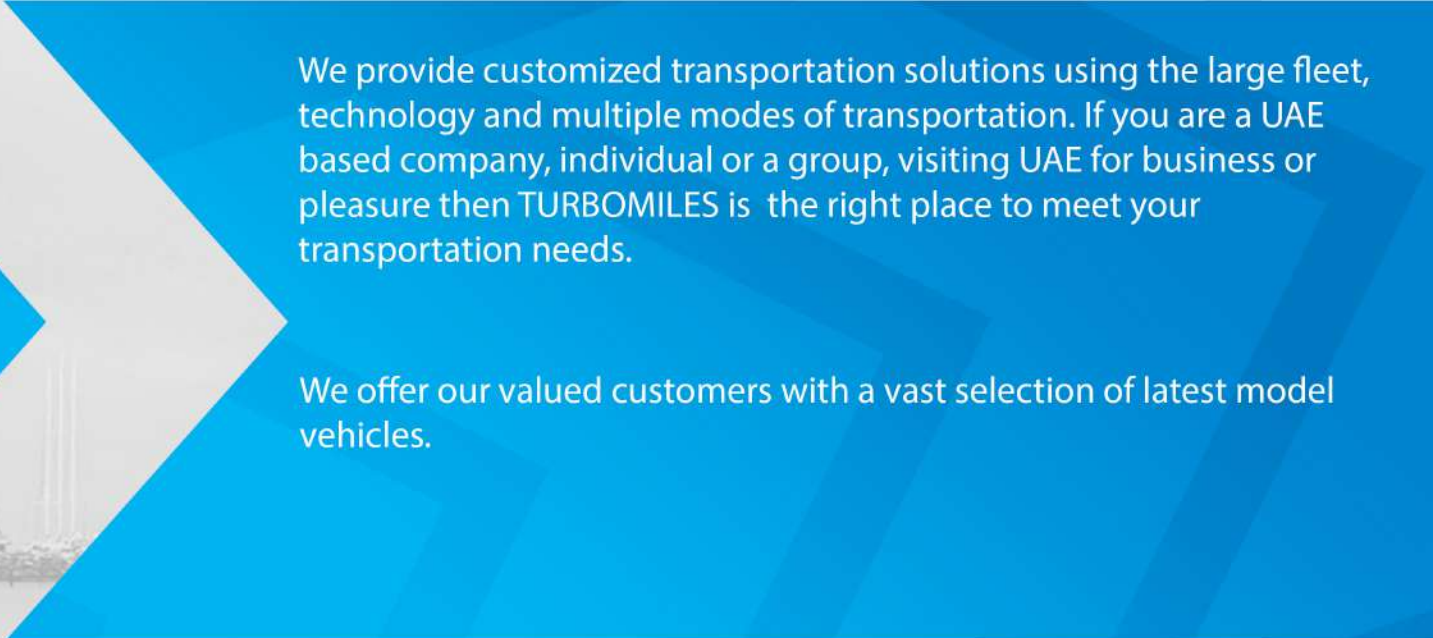

ISO 9001 : 2015

 [www.turbomiles.com](http://www.turbomiles.com)

# WELCOME

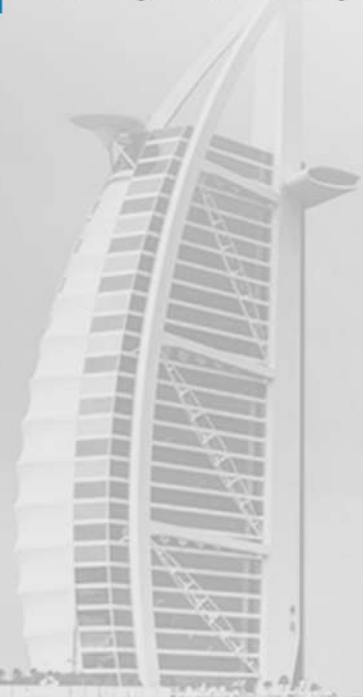

We are an ISO 9001:2015 Certified transport company committed to providing innovative strategies and services to help our customers create a competitive advantage with secure, economic, and timely management of long & short term contracts and events.

We provide customized transportation solutions using the large fleet, technology and multiple modes of transportation. If you are a UAE based company, individual or a group, visiting UAE for business or pleasure then TURBOMILES is the right place to meet your transportation needs.

We offer our valued customers with a vast selection of latest model vehicles.

# Our Philosophy

TURBOMILES has secured its values built on three founding pillars of care, commitment & Integrity.

We care for our customers, partners and team. Our promise is to render the highest quality services by delivering a sense of inclusiveness, trust & respect within given time frame.

# Values *(Corporate Ethics)*

The values of the Department of Transport are:

- **TEAMWORK** —▼  
Work efficiently together to achieve objectives, regardless of different experiences, capabilities and performances.
- **EFFICIENCY** —▼  
Enhance performance with low costs, and optimally utilize available resources.
- **EXCELLENCE** —▼  
Excel in performance and exceed expectations, to realize the vision and mission.
- **TRANSPARENCY** —▼  
Make information easily available and clear to all.
- **RESPECT** —▼  
Appreciate customers and colleagues alike, and offer courtesy to all.
- **HAPPINESS OF THE CUSTOMERS** —▼  
Embed and sustain a culture of happiness for customers

# Our **Mission**

Organizing, planning, developing, operating and maintaining a safe, smart, integrated and efficient transport sector for a sustainable environment that creates a happy society and stakeholders.

# Our **Vision**

An Integrated and sustainable transport for a better quality of life.

# SERVICES

## Arrivals & Departures

We offer Pick and drop off services 24x7 from any airport in the UAE. Customer name tag for your guest arriving are included. We offer safe reliable pick up and drop off from any airport to your chosen location.

## Sports Events

Whether it be a competitions, race or a match Our limousines and vehicles will take you there in a safe, reliable manner and, most importantly, on time.

## Staff Transportation

Our rental and charter service company can provide transport for all group sizes. We'll have our professional chauffeurs work closely with your coordinators and event planners to ensure that everything is as seamless as can be with no delays in dispatch or arrivals.

## Concerts

Our concert transportation includes High roof, sedans, SUVs, passenger vans, coaches, and even limousines. If you're looking for ground transportation to a stadium, arena, or concert venue let us get you on time without the chaos & make you feel like a celeb!

## Corporate Events

We take pride in getting you from one place to another with clean and safe vehicles that are insured for your safety. With a driver that is fun, professional, and respectful, we promise you will get where you want to go on time and safely.

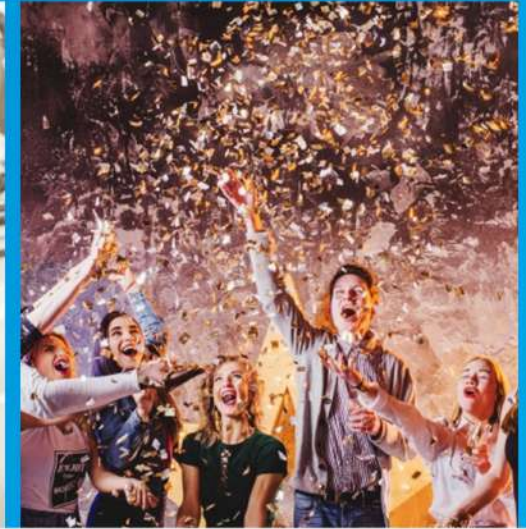

## Exhibitions

We are much more than just an exhibition freight forwarder - our worldwide network of agents is complemented by a highly skilled team - all of whom have first-hand experience of exhibition handling and working at major international venues.

## Weddings

You've set the date! Congratulations, Now let us take care of you & your guests by getting you on time for the most memorable day of your life. Let our professional drivers get the wedding party and guests delivered to the right place, on time, and in comfort & style

## Private Parties

Let us drive you in style to your Birthday Party, Hen/Stag do, Baby shower, Anniversary or any Special Event. We can also decorate your chosen vehicle with Balloons & Banners upon request to make your travel extra special.
